

Bonus Content 001:

Constant Procession the book and podcast series captures the enthusiasm of people from all walks of life, who at critical moments in the timeline of human history, found themselves in the presence of the Virgin Mary.

These witnesses are from all walks of life and in locations all around the world. The Madonna has appeared on remote hills, in valleys, even treetops and cities in revolt.

What is captured on the pages of the book and podcasts are the tangible, poignant and dramatic challenges that occurred in the lives of those who experienced meeting the Madonna, forever changing their lives and also delves into how the apparitions in the book have impacted the history of humanity.

What the Virgin Mary also leaves behind following an apparition are places of peace and tranquility. These places become locations where people go to pray with hopes of being healed from physical injuries, incurable diseases or mental anguish.
